About the Event

The 2018 DMAR Golf Tournament Hosted by the North District will take place on Monday, September 17th at the Ranch Country Club in Westminster. This is one of our most popular events and a cherished annual fundraiser.

This year's tournament will benefit Arising Hope, a battered women's shelter that services the majority of the north area. Arising Hope provides a safe place of love, healing and empowerment to victims of domestic violence. We give safe emergency shelter and housing; as well as, many other resources and services that assist survivors, their children and their domestic pets into a life free from fear and abuse. Arising Hope also provides educational presentations about the impact of domestic violence on the community.
