### ISSUE ENDORSEMENTS

#### City and County of Denver

Question 2A

**YES**

If approved, 2A will allow the City to form a new Department of Transportation & Infrastructure to better serve the need of Denverites. The department will focus on improving mobility, reducing congestion and cutting pollution.

#### Jefferson County

Question 1A

**YES**

If approved, 1A, or the Keep Jeffco Safe campaign, would allow the County (in 2020-2026) to reinvest property tax revenue above TABOR limits into essential services such as public safety and roads.
