

DMAR's 2022 Economic Summit

January 11, 2022

Online, hosted through Zoom

DMAR's Economic Summit is an annual event featuring key economic experts who share their outlook on local, state and national financial & economic trends. Our experts will update us on the health of the housing market, real estate trends, interest rates, housing inventory, local and national economic forecasts and more. Additionally, all attendees will receive a recording of the program and decks from the speakers and Realtor® attendees will receive two (2) hours of CE credit.
