2022 highlights

2022 was a year for the books.  

We introduced some great new initiatives and offerings including

our new charitable foundation

 (**DMAR Gives**), the **FREE DMAR Home Kit** app and the first-of-its-

kind consumer-facing event called **Housapalooza**. On top of that,

we were lucky enough to welcome  **Spire Financial** as a new 

Annual Partner and celebrate the **industry recognition** our CEO

and 2021-2022 Chair of the Board received for their innovation and

activism. But perhaps most  excitingly, we announced in 

September that local **DMAR dues were reduced** this year. We had

a great year and look forward to

serving our members in 2023!
