ASSOCIATION OF REALTORS®

Quarterly Member Report

2026 Q1 Report: January 1 - March 31

2026 is off to a great start!

Dear Members,

2026 is off to a remarkable start, and it's all thanks to your engagement, energy and dedication to our community. From sold-out events to new member benefits, the first quarter has already been full of opportunities to learn, connect and lead in our industry.

We kicked off the year with our annual Economic Summit, bringing back fan-favorite bowtie economist Elliott Eisenberg, alongside NAR Chief Economist Lawrence Yun, and a development update from Mike Koboudi. Members earned free CE and left inspired by the latest economic trends and insights shaping the Denver metro housing market.

In addition to events, we've continued to evolve the ways we connect with you:

- Our Market Trends Committee is now providing video updates along with the monthly reports (follow us on Instagram @dmarealtors for insights from the chair and committee members).
- We refreshed our email communications, keeping the weekly Monday Digest while reducing the rest of the schedule to deliver important news more efficiently.

Your voice matters to us, and we've made it easier than ever to share your thoughts. Use our new [feedback form here](#), or, if you prefer, email us at communications@dmarealtors.com. We read every message and your input helps us continue to improve our programs, events and services.

We also launched our DMAR Pop-In Program, a new in-office experience designed for brokerages that want their agents informed, engaged and fully leveraging their membership. Learn more at dmarealtors.com/dmar-popin.

And of course, Q1 was full of opportunities to connect with peers, grow professionally and engage in advocacy: from our Membership Town Hall in January to our first-ever DMAR Day on the Hill in February, members have been showing up, making an impact and shaping the future of real estate in our region.

Looking ahead, we have much more in store for you this year: new educational programs, networking opportunities and tools to help your business grow and thrive.

Thank you for being an active part of DMAR. Together, we continue to elevate the Denver metro real estate community.
